

SMARTGOV FOR CITIZENS

SMART FIELDWORK

Smart Fieldwork is a mobile app that streamlines field operations, boosting efficiency and accountability, leading to improved citizen services.

Smart Fieldwork **empowers field teams with a user-friendly smartphone app** that simplifies task management and data collection, enabling them to focus on what truly matters - serving citizens.

KEY FEATURES

Streamlined Task Assignment

Dispatch tasks instantly and optimise routes to minimise travel time and maximise productivity.

Effortless Evidence Collection

Capture photos, notes and GPS data to verify job completion and ensure transparency.

Improved Resource Management

Make informed decisions based on real-time field data, ensuring efficient resource allocation and improved service delivery.
